This achievement highlighted the hard work of the entire school community.</p> <p>Pupils from diverse groups, including those eligible for Pupil Premium (PP), girls, and those with identified Special Educational Needs and Disabilities (SEND), represented the school in various out-of-school activities such as cross-country and football. This inclusive approach broadened participation and representation.</p> <p>Pupil voice, gathered via the School Council, highlighted a preference for an after-school club. Consequently, basketball was offered, aligning with pupils' interests and requests. This initiative fostered a sense of ownership and responsiveness to pupil feedback.</p> <p>The Football Festival was meticulously planned and executed as an intra-school football tournament in celebration of England reaching the finals of the Euros. This event not only promoted sport but also provided valuable opportunities for children within the school to participate in competitive football.</p> <p>Play leaders continued to have an active role in daily school life, especially at lunchtimes for EY/KS1 and KS2 pupils, offering a range of activities.
