# TAKEHOME

2nd - 8th December

## In the news this week

The Football Association (FA) has laid out new plans aimed at raising awareness and increasing participation in disability football. The strategy, called Football Without Limits, includes growing the Comets programme for young people aged 5–11. The FA says Comets will be the most inclusive format of the sport and will provide a safe and supportive space for children to start playing football.

### Things to talk about at home ...

- Share your thoughts about the FA's plans to increase awareness of disability football.
- Can you think of a time when you have felt like you belonged (perhaps in a team or group)? What was it that made you feel included? Ask the same questions to someone at home.
- Ask people at home whether they, or someone they know, have benefited from a similar programme.
