Is it important to have a morning routine?

In the news this week

750 schools in England have been chosen to trial free daily breakfast clubs, to see whether they could work for all schools. Starting in April, the schools will provide breakfast and activities for children. Schools are encouraged to offer healthy, varied and nutritious breakfasts, such as wheat cereals, porridge, fresh fruit and yoghurt, as well as activities, including educational puzzles, reading and crafts.

Things to talk about at home ...

- > Have you attended a breakfast club? Would you like to?
- > What do you like to have for breakfast? What about others at home?
- > Share your morning routine with someone and ask about theirs. Do you feel it's important to have a routine? Why?
