In the news this week

This year's Earthshot Prize winners have been announced. Prince William, who launched the prize in 2020, closed the award ceremony in Cape Town, South Africa. The Earthshot Prize celebrates and supports people and companies working to provide innovative solutions for climate and environmental issues. The winners include projects to protect animals, handle rubbish and prevent wasted energy.

Things to talk about at home ...

- > Can you tell someone at home a bit more about the Earthshot Prize?
- > Do you believe awards are a good way of raising awareness about important issues?
- > Have you ever taken part in or contributed to a project with the aim of helping protect and look after the world? Ask others at home whether they have.
