In the news this week

Wicked, the hugely successful Broadway musical, has recently premiered worldwide as a film. Wicked shares a different perspective of the events in the magical land featured in 'The Wizard of Oz', prior to Dorothy's arrival. It is the story of Elphaba (a misunderstood witch), who later becomes the Wicked Witch of the West, and her friendship with Glinda, who becomes the Good Witch. Karis Musongole, aged 10 from Manchester, plays the young version of Elphaba.

Things to talk about at home ...

- > What have you heard about the film, Wicked? Is it something you have seen or would like to see? Ask someone at home. Are they familiar with the story of The Wizard of Oz?
- > Do you like performing on stage? Do you like other roles or responsibilities in plays or performances? Talk about the importance of each role and how our different strengths can all be celebrated.
