Let's look at this week's story

E-commerce company, Amazon, has told all staff they need to return to the office five days a week, ending the option to work from home. In a message to all workers, Chief Executive Andy Jassy said the company expected everyone to be in the office full time (apart from some exceptions) from 2nd January 2025. Amazon's new policy is very different from the UK government's approach, which is to make flexible working a right for employees, as promised in a new Law proposal due to be announced later this year.
