In the news this week

Singer, Taylor Swift, is in the midst of her Eras Tour, singing to venues all around the world. One superfan has made hundreds of Taylor Swift inspired friendship bracelets to donate to people in care homes. 11-year-old, Devon, came up with the idea to give out the handmade bracelets after seeing how happy her 92-year-old great-grandmother, Margaret, was with the one she gave her. She hopes to inspire all generations to get involved in the bracelet craze.

Things to talk about at home ...

- Have you ever been to a show or concert? If so, what was it like? Ask someone at home about their experiences.
- Thinking about your own friends, what is it about them that makes them special? Ask others at home about their friends.
