	<a href="#">Lesson: Use knowledge of measure conversions to interpret graphs and tables   KS2 Maths   Oak National Academy (thenational.academy)</a>	

# TAKEHOME

## In the news this week

Prime Minister, Rishi Sunak, has announced that a UK general election is to take place on 4<sup>th</sup> July. He made the announcement in a press conference outside 10 Downing Street. Parliament was dissolved on Thursday 30<sup>th</sup> May, and the members of Parliament have returned to being members of the public. Many are campaigning to be re-elected. A general election is when people over 18 can vote for who they want to represent them in the UK parliament. It could mean a new government party and new leader for the UK this summer.

### Things to talk about at home ...

- What do you know about general elections? Ask someone older at home to recall previous elections.
- Many people have come forward to say they'd like to see changes with how the country is run. Can you think of a positive change the government could make?

Please note any interesting thoughts or comments
